We hope you are making plans to exhibit at the AAAA 2007 convention January 14, 15 & 16.

The AAAA considers the Exhibit Hall an excellent place to show and discuss the latest technology in ag aviation. The Allied Industry Exhibit Hall displays are a learning experience on products and services available to make the industry business better.

### Wyndham Riverfront Hotel Reservation - 501-371-9000

#2 Riverfront Place  
North Little Rock, AR 72114

#### Make Your Hotel Reservation NOW .....

You need to make your hotel reservation before **December 21** to take advantage of the good rates they offer the AAAA. When you make your room reservation make sure they know it is for the AAAA convention.

**Convention Room Rates: \$82.00 + tax for single or double occupancy and \$10 each additional person until December 21**

Regular Rates: After December 21 they will go back to their published rates of \$114.95 for single and \$124.95 for doubles plus the tax

**Pre-registration should be mailed before January 2.** This will allow ample time for delivery.

**The Exhibit Hall will open Sunday 4:00 pm Sunday January 14. You will note there is an Exhibit Hall lunch Monday. The display booths can be dismantled at 6:30 pm Monday evening.**

#### Arkansas State Plant Board 2006 Data

Licensed Commercial Firms	192
Licensed Ag Planes	390
Licensed Ag Pilots	443

Brent Short, Satterfield Aviation Fuels Inc., is the Exhibit Hall Manager. Brent is the Associates Board representative. If you have question call Brent at 501-327-7714. We will take the booths in the order that we receive the registration.

If you have special request such as being next to another exhibitor please note this on your form.

Check the space on your registration sheet if you want to be on the Exhibitor Speakers list Monday

PAASS (Professional Aerial Applicators Support System) Program presenters are Jeff Tidwell & Ronnie Taylor. PAASS certificate must be picked up after the program Monday in the hall outside the Exhibit Hall.

The AAAA expresses a special thanks to the companies that help support the AAAA's educational efforts: Rebsamen Insurance, Arkansas Department of BASF, Davidson Solid Rock Insurance, Dow AgroSciences, DuPont Crop Protection, FMC, Kimmel Aviation Insurance, Knox Nelson Oil Company Inc. and Frost Flying Service.

WAAAA Auction is in the Exhibit Hall Monday. They use the proceeds for educational purposes. They run radio & TV spots that create awareness as well as the billboard. Lou Stokes, Stokes Flying Service, 870-755-2755 dstokesagpilot@yahoo.com and Janice Everett, E & M Flying Service, Inc. 870-462-3675 can be contacted regarding items that you wish to donate for this event.
